

Subjects - Guess the subject

Use a dictionary to find the subjects from the picture clues given

Oranges are delicious.

Clowns are funny.

Books are interesting to read.

London is a great city.

Chess is a difficult game.

Mobile phones are useful.

Swimming is tiring.

Bread is lovely.

NOTE: The answer is 'Oranges' not Orange. This is because we are talking about all oranges and, because it's a countable noun, we need the 's'. Bread is uncountable as so it does not need an 's'.
